

Div. 13,

Pertaining to the recent 6&3 info email, the very bottom section is wrong. The carrier sent the correction in a recent email to the BLET.

It Says: **When the AGMT Default is [M]arkup, the system WILL NOT ALLOW the following combinations to be entered:**

But should say: **When the AGMT Default is [L]ayoff, the system WILL NOT ALLOW the following combinations to be entered:**
